

2020 Souvenir Cover

The Garfield-Perry Stamp Club will sponsor a special cachet and cancel during March Party 2020 recognizing the 25th anniversary of the dedication of the Rock and Roll Hall of Fame here in Cleveland, OH. The cachet will show a view of the museum designed by world renowned architect I.M. Pei.

The cancel, currently being finalized by the United States Postal Service, will feature an electric guitar. There will be three cancels, one for each day of the show.

Covers will be franked with a variety of U.S. stamps featuring artists currently inducted into the Rock and Roll Hall of Fame. Currently we are working on procuring as many of the 40 plus stamps showing inductees for franking these covers, so a large variety will be available. Covers will be sold at \$2.00 each.
