CARFELD PERRY STAMP CLUB

Minutes of the Regular Board Meeting

July 18, 1980

President Underwood called the meeting to order at 9:12 with 6 members attending.

The major topic of discussion was the site of our next show, in view of the Cleveland Plaza's getting out of the hotel business. Mr. Nemecek filled us in on details of his survey of Masonic Temple facilities. A committee will continue the feasibility study, but, as that site seems to offer a much larger room at a more accessible price, it was the consensus of the board that we should firm up a contract with the Masons and get cracking on our largest and best show yet.

The meeting adjourned at 9:52

A show of this size deserves more scheduled entertainments,
