17-July 1987

Minutes of the 3884^u Meeting of the Garfield-Perry Stamp Club

1. President Stager called the meeting to order at 8:01-1/2 p.m. The back of the room was especially rowdy quite possibly due to the five jugs of wine consumed at dinner. Fourteen members and two guests, Ken Mountain & John Stanitz, present. The guests were not rowdy. No minutes of the previous meeting due to the absence of our Secretary. However, we did have 73 members and guests aboard for last week's cruise.
2. Old business - none.
3. New business - none.
4. Bad News - Reg Morris announced that this is possibly his last meeting for some time since he will be moving to Columbia, MD. Reg showed us some fascinating roller cancels on large envelopes salvaged from the trash basket.
5. Dale Pulver circulated photos of last week's lake and river cruise on CGC NEAH BAY.
6. Justin briefed us on the latest philatelic news and circulated the usual load of junk mail.
7. Norm Townsend reported on the new APS procedure to assist judges at APS show in Boston. Title and explanatory pages are sent to the judges well before the show to assist them in sharpening their expertise. Very interesting....
8. Future entertainment - Allen Steinhart is scheduled for 14-August with a presentation on early classic pre-stamp Canada.
9. After some comic relief while some members erected the screen, Charles I. Ball introduced Dick Parker who gave us an excellent slide show on Vermont Postal History. Despite the technical difficulties with the screen, the members and guests enjoyed a fine review of the postmarks of many Vermont cities and towns.
10. The meeting adjourned at 9:28-1/4 p.m.

Recorded in the rough by Norm Townsend and transcribed by P.J. Stager.

CHESTERFIELD - PERRY STAMP CLUB

MEMBER OF THE 3285th REGULAR MEETING

July 27, 1967

President Stager called the meeting to order at approximately 8:00 with 12 members and 4 guests attending.

Minutes of the previous meeting, the minutes of the efforts of Mrs. Constance and Stager, were gratefully accepted.

Guests Loretta Hart, Barbara Peters, and Lorena Barber were introduced.

News of members: Mr. Hart - my son-in-law in Maryland. My friend, Bill Barker is editor of "The Cover Bulletin".

Non-philatelic News: After a couple of recent large scale sales, Mr. Grant is currently not listed in LITB's membership.

Philatelic news: Auctions, having opened the sales again, are celebrating wildlife and aboriginal crafts. Mr. Ball got another wrapper from Shutes, registered/signed with non-stamps.

Future Entertainments: Mr. Kerper - Ohio City, Mr. Kaste - Howard, Mr. Steinhart - early Canada, Germany Philatelic Society - propaganda and postage literature.

News of the week: Mr. Palmer, two postal cards - postage addressed from 1908 and unusual Cleveland cancel. Mr. Underwood, Kansas, OH, cancel. Mr. Yonke: (ex waste paper basket) "Millions" - coin-operated meters with PNC's and slogans. Mr. Palmer, some clever slogans.

Entertainment: Mr. Ball introduced Loretta and Dale Hart, with slides of "Kansascans - the Santa Fe and Rain Forest". Sharing the commentary slides, they treated us to some big ideas of the canyons, birds, insects, frogs, etc. Most entertaining.

The meeting adjourned at 9:00.

Respectfully submitted

Jim Hall, Sec.

Minutes of August 21 - #3890

The meeting was called to order by President Stager at 8:01. He apologized for the tardiness and it was moved by Bob Toth and seconded by Dale Pulver that his apology be accepted.

President Stager asked for volunteers to be Secretary, but warned that the Secretary Pro Tem must be able to use small words so that our Regular Secretary would be able to read them and understand them. There were numerous volunteers, but it was agreed that the one with the least education would be best fitted for the job and after a great deal of questioning, I, Milton Evans Cornman was chosen.

There was no old business; there was no new business, there was practically no

business at all. Most of the members were in Boston, so we didn't have quantity. Just quality, and it was a pleasure having it like that.

Dale Pulver announced that he has money from two exhibitors, so the March Party is on its way.

Justin Underwood gave us all the Philatelic News amid choruses of ohs and ahs.

Post Cards of the Week were presented with the compliments of our President. They were picturing various Coast guard vessels of Canada. Each of us received several. It must have cost Phil quite a bit of money, but we were too polite to ask.

Cover of the Week was shown by President Stager - A Postcard from Vancouver with

a catalog value of about 500⁰⁰. He had it returned to him after a few threatening gestures, and black mail innuendoes.

I only collect US. Post Cards anyway.

Dale Pulver showed examples of recent US cancels and how they can be mounted to make an interesting exhibit.

Future Entertainment - Next week, a slide program produced by the German Philatelic Society - and on Sept 11th one of the great philatelists of our time, Bernard Henning will come to Cleveland to present "German Submarine Mail of World War I."

Justin held a Gala Auction, and because of attractive Swedish items, our Treasury is in a much healthier condition.

The Evenings Entertainment was by President Phil Stager who asked that since Charley Ball, wasn't here to ask innumerable silly questions; that each of us ask questions whether we care what the answers are, or not. This, we all did, and it felt like a regular meeting.

Phil showed slides of Munich, Germany, the Caribbean, the Orient, Tahiti, and Puerto Rico. The pictures of Munich were beautiful but most of us liked the nude women of Tahiti and Fiji the best. These were shown several times. Its nice that we dont have women members or we wouldnt have been able to yell and scream like that.

Minutes of Meeting of August 28th 1987.

Meeting was called at 8:01 by President Phil Stager.

Because the regular Secy, Joe Eggar, and the Secy Pro Tem were absent again, Will Cornman was named Secy Pro Tem Pro Tem. In as much as the Secy dues are paid by the club, it was suggested that because the Secy Pro Tem, Pro Tem is an Honorary Life Member, and hasn't paid dues for years, that it would only be fair, if the club paid the Secy Pro Tem, Pro Tem, a cash payment every week. It's two weeks now. I don't know whether a second to a suggestion makes a vote imperative or not but we could find out later after ^{consulting} with an attorney. Is there a second?

There was no March Party News, but it is assumed that we will have one.

The A.P.S. show in Boston was discussed by various members and the important features were that there were very few anchovies, and no cheese in the Hospitality Room, but in the lobby there were lots of girls with short skirts. Here the lighting was good, but in the underground garage where the exhibit was held, it was poor. It was a well managed auction, with a beautiful catalogue and \$300 catalogue at \$10.00 went for \$140.00, so go home and re-price your collection. Dale Pulver received a Gold Award in the Champions of Champions competition. It was a Prix D'Honneur. Charles Ball was a judge in the Philatelic competition and Norman Townsend

was an Apprentice Judge. One of our
three women members, ^{Simone} ~~Simone~~ Short
(Simmons) won a Vermeil for her publication,
'Glider Mail'. Another one of our three
women members, Gwen Dyer, didn't
win a thing.

The Philatelic News was mostly the
hub-bub about the Secret Marks on 3 US Stamps
Big Deal.

Tony Smith showed the Cover of the Week
a Daily Ohio Cover, and a 10¢ Bank Note
1872 from New York to Bordeaux via London.

Charles Bell announced future
entertainment, including the week of
Sept 11th, today, which will be the
outstanding program of the year. It will
be presented by Bernard Henning of

Chicago, entitled "German Submarine
Mail of World War I".

In as much as the club pays for
the dinner of weekly speakers, and
in as much as there are now two
menus to select from, the cheap one,
and the Rockefeller one, it has been
suggested that the Entertainment
Chairman, Charlie Ball, see to it, that
the speaker of the evening, doesn't get
his hands on the good menu, the
Rockefeller one. If he does, it has been
suggested that the difference comes out
of Charlie's pocket. Is there a second to
this suggestion?

The Entertainment was a German Phil.
Society slide show Part One.

Meeting called at 9:55

Minutes of the Meeting of September 11, 1987 - #3892

The President started the meeting promptly at 8:01½ (with emphasis on the ½)

The hilarious minutes of the previous meeting of September 4th were read by Milt Cornman, Sec'y. pro-tem pro-tem. It was questioned if he was sticking to the facts, but they were enjoyed by all.

It was noted that Jim Short was again a valued guest.

There was no Old or New Business (obviously a stagnant situation).

It was reported that Dick Parker was in Lakewood Hospital (we hope that he is better).

Banquet reservations at the University Club are set.

It was announced that the great philatelist, Herb Block, has passed sway.

Tony Smith discussed the two fine articles in the philatelic press regarding Jim Beal.

Steve Kaplan reported on some interesting covers.

Future entertainment was outlined.

Bernard (Bud) Hennig who has been acclaimed as "Mr. Philately" was introduced. Bud came from Chicago just to give a fascinating presentation on German Submarine Mail of World War I. The Club members learned many new historic and philatelic facts and thoroughly enjoyed the talk.

The Meeting was adjourned at 9:40 P.M.

The meeting was called to order by the president just a shade after 8:00 P.M.

The very fine minutes were read by the Pro-Tem.

There was no old or new business.

We were happy to see the healthy return of Mr. Parker.

There were numerous covers that were circulated including the new postmarks commemorating National Stamp Collecting Month.

Mr. Parker stated that things were progressing nicely for the 1988 March Party.

Mr. Charles Ball was his usual loquacious self in introducing the speaker for the evening. Mr. Louis Reif is from Columbus and was accompanied by his charming wife.

Mr. Reif gave us a most interesting slide presentation of his extensive collection of Street Car R.P.O.s.

The meeting was adjourned sometime before midnight.

September 25, 1987

The meeting was called to order by the president at seometime after 8:00 P.M. No one was quite sure.

The minutes of the meeting held on September 18th were read and reluctantly approved.

There were no guests and again, there was no old or new business.

John Reid reported on his recent visit to APS headquarters in State College, Pa.

It was reported that the United Nations has been invited to the March Party. It was not clear if the UN intends to move their entire organization to Cleveland or just the philatelic table.

Reg Morris reported on a number of interesting miscellaneous covers.

The exciting future entertainment was announced.

The president introduced the featured speaker of the evening because no one else would volunteer to do the task.

Charles Ball talked about Alaska and the North Slope as it really exists. He had numerous fascinating slides to show the group. Much was learned about this distant area.

Meeting was adjourned at 9:45 P.M.

3895th Meeting of the
Garfield-Perry Stamp Club
October 2, 1987

The meeting was started late - 8:01 P.M. - probably due to the inexperience of the presiding officer who was the Honorable Milt Cornman, the Secretary Pro-tem Pro-tem.

The minutes were clearly read and of course were accepted by the membership.

Although he disclaimed the honor of being a guest, Jim Short was recognized.

Once again, the Club seems to be in a stagnant condition since there was no old or new business.

In News of Members:

- a) Charlie Ball produced a recent 1960 photo of some of the Club members.
- b) Simine Short reported on the philatelic show in Berlin where she won a number of medals.
- c) Simine Short also reported that she and Jim were moving to Chicago on October 14th because of a new position. Everyone expressed chagrin and wished them the best.

The judges for the March Party were announced. Negotiations on the contract with Masonic Temple are progressing. Dale stated that applications for frames were coming in at a rapid rate and if G-P members don't want to be left out in the rain, they should submit their applications.

The latest Post Office Dept. news was discussed.

Reg Morris had some interested covers from Hong Kong.

The future entertainment was highlighted.

The entertainment of this evening was the reporting and exhibiting of unusual philatelic awards and prizes that G-P members have received over the years. There was quite a variety and everyone had a good time in trying to out-do the next guy.

The meeting was reluctantly adjourned at 9:17 P.M.

3896th Meeting of the
Stamp Club

3896th Meeting of the
Garfield Perry Stamp Club
Oct 9th 1987

The meeting was called to order at 8 o'clock sharply by Treasurer Thomas F Allen

Minutes taken by Secretary Pro Tem, Norman W Townsend were read by Secy Pro Tem Pro Tem, Milt Cornman. There were numerous corrections, because Secy Pro Tem Townsend is a lousy speller.

March Party - Deck Parker reported that arrangements have been made with the Masonic Temple and everything is proceeding in good order.

News of Members - Chas I Ball is in Dayton as a judge. Frank Marek and Tony Smith were at a Reverse Raffle and we hope that they were arrested, because Tony of all people should know that gambling is illegal

except in his homes away from home;
Atlantic City and Las Vegas.

Philatelic News - Justin Underwood reported that the new Harris catalog was out, and there was a short report on United Nations which I will now repeat to you verbatim, if you wish.

Additional News of March Party - New supply of broadsides available. There will be no "two tables for Dealers", with a few exceptions - Price per table to be 275⁰⁰.

Future Entertainment - Our old Friend Ken Kollar of Rubber City will be the speaker and exhibitor, next week.

Dale Pulver showed a medal made from a penny for the Cleveland Exposition of 1936-7. At that show was Johnny Weismuller and Eleanor Holmes.

Through the hub-bub and excitement of the crowd (we had six members present) a motion was heard to adjourn to the more pleasant tables of the Rockefellers, and that the program of German Forgeries be postponed, much to the chagrin of Justin, who had toted the machines and exhibit on foot from North Ridgeville.

The finance company had repossessed his car, and while N. Ridgeville does a bus service, it only goes west to the Big City, Elyria.

Meeting adjourned way before 9 o'clock.

The 3897th Meeting of Garfield Perry
was called to order by President Stager
at 8:03

Minutes of the last meeting were
read by Milt Cornman Secy pro tem
pro tem.

Visitor Vincent P Lucas of Lakewood
was introduced

A letter from member Simone Short
was read by Dale ~~Member~~^{Pulver}

A report by Chairman of the Nominating
Committee was made. He reported that
after careful scrutiny of the attendance
records, the horrible records of existing
officers and board members allowed
only one conclusion, that the only
members conscientious enough to be

members of the Board were Justin Underwood, Chas I. Ball, and Milt Cornman. (who, by coincidence are the nominating com.) A motion was made by Tony Smith that nominations be closed, but it was out of order because nomination can be made from the floor and by the Committee until the 3rd meeting in November and I suppose a couple of other names will be added by then.

On Philatelic News Justin Underwood showed us some interesting Australian Bulletins

Steve Kaplan, who works for a bank showed some metered envelopes with unusual cancels

Walt Pulver showed some slogan cancels, mainly for October; the Stamp Collecting Month.

Chas I Ball reported that the Dayton Show was the best they had ever had. Scott Gallagher won the Grand Award with "Caribbean Mail". Simone Short won a Gold Award.

Future entertainment was announced and it was noted that Cyclopedia was the weekend of the 24th and 25th, and that Rubber City was the following week-end.

The speaker of the evening was member Ten Kollar of Akron who presented "U.S. Revenue Stamped Paper". Meeting was called at 9:35 after which Bob Peters donated huge quantities of money at the Rummy table.

Meeting of the
Garfield-Perry Stamp Club
December 11, 1987

Meeting was called to order promptly at 8:09 P.M. by our beloved President.

The meeting minutes of the previous week were read by our beloved Fro-Tem.

It was announced that the ballots must be received before the next meeting to be counted.

Notes and messages were read that had been received from various G-P members living in other parts of the country.

Dale Pulver announced that the March Party exhibits are now over-subscribed and that he is having to reject and return some of the applications.

A gigantic wine bottle was donated to the Club. It was decided that because of its significant monetary value, the bottle will be auctioned off at some future meeting. The membership is so excited that it can hardly wait.

Covers of the week were discussed and passed around.

Future entertainment was listed. Our distinguished member Mr Charles Ball will enlighten us next week. It was also announced that ballots for the trustees will be counted next week.

Members were reminded about the G-P Christmas Party to be held on December 29th. Everyone is to bring very expensive presents because we all mean so much to each other.

The balance of the evening was devoted to each member showing and describing a recent philatelic purchase. It was truly a most interesting evening.

The meeting was adjourned sometime before midnight.

MORE MINUTES

9. Entertainment - Since the Election Committee was still out counting ballots on the 18th floor, Pres. Stager introduced the evening's entertainment, our own distinguished Mr. Charles I. Ball who proceeded to give another one of his fascinating talks, this one being on a treasure-trove of covers from one John Bingham of Cadiz, OH. Halfway through this fine talk, Mr. Ball was interrupted by the Election Committee who reported their results. Mr. Ball then concluded his wondrous philatelic lecture.

10. ELECTION RESULTS - Fifty-two (52) ballots were cast, one of the best turnouts in several years. Next years trustees will be (in alphabetical order): Thomas Allen, Reginald Morris, Richard Parker, Dale Pulver, Anthony Smith, Phillip Stager, (not to be confused with) Robert Stanger, Robert Toth, and Norman Townsend - who should have been here taking these minutes as secretary pro-tem.

11. The meeting adjourned somewhere, sometime around 9:30 pm.

Respectfully submitted

P.J. STAGER
