

GARFIELD-PERRY STAMP CLUB
CLEVELAND, OHIO

Minutes of the 3907 th meeting, January 8, 1988

Vice-president Tony Smith called the meeting to order at 8:04 PM with about 12 members present.

Under news of members it was noted that Secretary Norm Townsend could not take any more northeast Ohio weather and fled to Florida for the weekend. Dave D'Allesandris was back and gave us a run-down on his activities. He has completed 1 semester in graduate school at the University of Maryland in College Park working towards his PhD. He also serves as a teaching assistant and says he likes it.

Justin Underwood brought us up to date on philatelic news. Australia will celebrate its bicentennial with a joint stamp issue with the U.S. A fire in the main P.O. in Victoria has forced the relocation of the philatelic office, among other things. Charlie Ball announced that the Club had received prospectuses and applications for the APS Stampshow to be held in Detroit during August.

Ball also passed around a copy of the G-P 40th anniversary banquet program lavishly printed ^{for the} 1930 get-together. After a good banquet, members were treated to piano music by the famed Arthur Loesser. The program also illustrated two special medals honoring Garfield-Perry which appear to have been given out, but the recipients and the whereabouts of these is unknown.

Dick Parker showed us a "cover-of-the-week" bearing a 6¢ Tax Departmental cancelled in Cleveland, Ca. 1870. Since it was not on a department corner card there was some suspicion of its authenticity.

March Party notes: Letters have gone out to the Cleveland postmaster with sketches of the show cancel. The POD has been asked to man their booth all three days of the show. Reg Morris noted that the Machine Cancel Society will hold its annual meeting in conjunction with the 1989 March Party.

Charlie Ball reviewed upcoming entertainment. He then administered the oath of installation to G-P trustees who were present. These were: Allen, Morris, Parker, Pulver, Smith and Stanger.

In the absence of the president and Secretary, the only report tendered was that of Mr. Allen, Treasurer. He noted that the balance of funds in the Club treasury at the end of December, '87 was about \$26,900, of which \$9,050 were prepayments and other funds earmarked for this years MARCH PARTY. The General Fund ended the year positive by \$48, and the Shafer Fund stood at \$5040. Bottom line is the Club is healthy financially.

There was a short discussion on how the Club could attract new blood and otherwise appeal to more stamp collectors. Reg Morris felt we should do more to help the intermediate collector and thus attract attention.

Charlie Ball gave a short philatelic program which included an 1846 stampless folded letter from Hongkong to London. He also showed us some HK letters bearing 5¢ revenue stamps used for regular postage during a 9-day period in January of 1938 when such use was authorized.

Meeting adjourned at 9:25.

Respectfully, *Sale Pulver* Ex-sec'y

Meeting was called to order at 8:03 P.M. (a bit late, but excusable) by President Dick Parker.

The minutes of the previous meeting were read and accepted.

No guests were present.

No old ~~or new~~ business.

In New Business, it was noted that the Cleveland Public Library did not possess a set of the Higgins and Gage catalogs. It was recommended that this situation be corrected. The matter was referred to the Board of Trustees for consideration.

We have received a letter from the India Study Circle that a special award for the best Indian material be presented at future Garfield Perry March Parties. This award will be presented by the India Study Circle. This matter was also referred to the Board of Trustees for consideration.

Still another matter to be considered by the Board of Trustees was the possibility that the Most Valuable Members (which is given at the March Party) be either abolished or given only on an occasional basis.

The new flyers for the 99th March Party were available.

In Philatelic News, the following topics were discussed: The fugitive inks of the new Love stamp; the theft of philatelic material in Toledo; a photo of the July, 1965 joint meeting of GP and the Collectors Club of Akron; the new issues of Canada.

Covers of the Week included a Par Avion label on a cover from Tampa, an areogram from Pakistan showing the effects of recent inflation and a pamphlet commemorating the Grand Opening of the Westlake Post Office.

In Future Entertainment, the joint meeting on April 16th with the Akron Collectors Club was highlighted.

Because the scheduled speaker for the evening was unavailable, Charlie Ball presented a most interesting talk on many individual items of his personal collection. It was enthusiastically received by the club members and was most appreciated.

The meeting was adjourned at 9:30 P.M. (give or take an hour or two).

Being in the between of the hour, the regular order of business was omitted and we went straight to the entertainment.
