GARFIELD-PERRY STAMP CLUB

Minutes of the 3974th regular meeting, July 7, 1989:

President Richard Parker called the meeting to order a tad late (8:12PM) with 17 members and two guests present. The guests were introduced: Bob Peters brought his wife Darleen, and Dick Parker presented Elwyn Doubleday, an old friend of G-P from Alton Bay, NH.

There seemed to be no new or old business.

Under news of members, Reg Morris told us he would be leaving for Japan the following morning for an assignment of undetermined length for his firm, Picker. It sounded like he might be gone for considerable time although he would be back for a short visit in August and hoped to attend a meeting then. We will miss Reg, and the group wished him the best of luck in his new job.

Reg noted that he would turn over all of the souvenir cards from past shows which he has been attempting to flog. Dick Parker volunteered to take them and either he or some unsuspecting appointee would continue Reg's work.

Charlie Ball reviewed coming entertainment.

This week there was considerable philatelic news. Justin mentioned, among other things, the new U.S. security envelope which is distinctive enough so that all mail thieves will instantly know there might be something worth pinching in them. Other items were: the 1¢ mail penalty stamp, the baseball poster, souvenir card of the French bicentennial, and a booklet of Canadian self-adhesive stamps with face value of \$4.58 which, if I understood correctly, will sell for \$5.00!!

It was noted that member Vince Lucas took the grand award at TOPEX '89, held in Spokane, Washington. Vince's exhibit was on coffee so now he has two GA's in successive years with two different showings. Last year he came out on top with his butterflies. Vince told us a little bit about the show. The judging was tough; of 36 exhibits there were only 4 golds and 4 vermeils. About 40% of the exhibits received no award whatsoever.

Reg Morris and Vince Lucas showed covers of the week. There were no stamps of the week this time. Dick Parker also showed a couple of amusing postcard reprints.

Denise Stotts provided the entertainment with a showing of her thematic exhibit "Japanese Art on Stamps" by way of slides. It was really a very well done and interesting talk and helped some of us who are not very familiar with thematic and topic exhibiting to understand some of the technical aspects. Her exhibit also demonstrated ways, through slitting and windowing, that irrelevant material is hidden from view so as not to distract. She received a spirited round of applause at the conclusion of her program.

The meeting was adjourned at 9:40 PM.

Respectfully,

DRP

From the Ohio Historical Society militia archives -- Putnam, 1819, "Free, I believe" and four covers from Bridgewater, which existed only 11 months, 1823. Stamps of the Week: Mr. Hardy had the new Canadian lickless and Argentine honoring French Revolution. Mr. Allen showed a French version of same celebration.

Future Recommendations: August 25, but time was spent here; Sept. 7, no meeting; and Sep. 8, go to meeting with Collectors' Club at Milton.

Recommendations: Mr. Hall introduced George Sawyer, with "The Creation of Five and Six Field's Querrprints of Nicaragua". It seems that from 1904 to 1914 the Mosquito Coast (Dept. of Zelaya) had a stable currency and needed protection from postal paper bought with near worthless currency at rest of country. Some of these overprints, obviously quite rare on covers. He has a great personal collection and has thoroughly researched it. I need an abiding presentation by the man who is also "the world's authority of chicken-plucker fingers"

The meeting adjourned at 10:00.
