

GARFIELD-PERRY STAMP CLUB

Minutes of the 4276th Regular Meeting

July 26, 1996

Former president Smith called the meeting to order at 8:00 with 9 members present.

Minutes of the previous meeting were accepted.

The membership application of Leonard Kurtzman was read.

Philatelic News: Large sales booklet from Canada.

Covers of the Week: Mr. Allen showed one from Cleveland, 1856, and New York to Cleveland, 1860, both unclaimed. Hence to send letter office.

Future Entertainments: Club picnic, travelogue.

There was no old nor new business.

March Party Items: Postal History and Ohio Postal History societies will join us.

Entertainment: From the Smithsonian's National Collection, we enjoyed a classic slide show of rarities of the world. Stunning material presented at the highest technical level, including text read by Mr. Smith. The club acquired this slide show some years back and should show it more often.

The meeting adjourned at 9:30.

Respectfully submitted

Joe Egar, Sec.
